WORKING GROUPS

(maximum of 25 people for each group)

Introduction by the Italian National Coordination Body 2011 – Directorate General for Volunteering, Associations and Social Bodies - Ministry of Labour and Social Affairs.

Representatives of Italian volunteering appointed by the National Observatory on Volunteering, the Forum of the Third Sector and the Advisory Council on Volunteering, ConVol and CSVnet and representatives of volunteer networks from other European countries participate to the conference, in continuation of the preparatory work of the European Conference of the Observatory and the working group “European and International Volunteering in comparison” of the National Observatory on Volunteering.

The objective of the Working Groups is to come to proposals and indications, starting from the Manifesto of Italian volunteering for Europe and through in-depth analysis and exchange with the representatives of volunteering from other countries, contributing to the working-out of European level recommendations with respect to the objectives of the Year: valorising and supporting volunteering and promoting its culture and values.

The outcomes of the Working Groups will be presented to the Public Conference on 1 April.
All the working papers of the Groups will constitute the Acts of the Conference and will be made available on the websites: www.lavoro.gov.it/AnnoEuropeoVolontariato and www.destinazioneeuropa.eu for elaboration and integration from the territories throughout the Year and for further development at European level.
