

Equality of Treatment (Social Security) Convention, 1962 (No. 118)

Observation 2007/78

Italy (ratification: 1967)

In 2006, the Government was requested to submit a detailed report on the application of the Convention for the previous five-year period in accordance with the report form adopted by the Governing Body of the ILO. The Committee notes that the report received in 2006 contained only the Government's reply to the Committee's previous comments. It hopes that a detailed report will be supplied for examination at the next session of the Committee in November–December 2008 and that it will also contain the Government's reply to the observations of the Italian Confederation of Labour (CGIL), which were attached to the report.

[The Government is asked to report in detail in 2008.]
