

## Direct Request (CEACR) - adopted 2011, published 101st ILC session (2012)

*Night Work of Young Persons (Industry) Convention (Revised), 1948 (No. 90) - Italy (Ratification: 1952)*

**Article 6(1)(e) of the Convention. Keeping of registers.** The Committee had previously requested the Government to indicate whether section 12 of Decree No. 200 of 1937, which requires an employer to keep a register, is still in force. The Committee notes the Government's indication that Decree No. 200 of 1937 has been repealed. The Committee notes that the provisions requiring an employer to keep and maintain registers containing the details, such as names and dates of birth of his/her employees are covered by section 39 of Decree No. 112 of 2008. It further notes that according to section 17 of Order No. 977 of 1967 an employer who employs, in exceptional cases or in case of emergency, a person of 16 years of age for night work, shall inform the Directorate of Labour indicating the name and details of such persons and the reasons and conditions of such employment.

**Part V of the report form. Application of the Convention in practice.** Following its previous comments, the Committee notes the Government's information that in 2010, a total of 1,651 children have been found working in contravention of the labour laws, of which 292 violations concerned working hours.
