

Certification of Ships' Cooks Convention, 1946 (No. 69)

Direct request 2005/76

Italy (ratification: 1952)

The Committee notes the information contained in the Government's report and the adoption of Presidential Decree No. 324 of 9 May 2001.

Part V of the report form. The Committee asks the Government to give a general appreciation of the manner in which the Convention is applied in practice, including, for instance, extracts from official reports, information on any practical difficulties in the application of the Convention and, if available, information on the number of certificates granted.
